STABILITY CERTIFICATE

We have inspected the school building known as "SWATI EDUCATION TRUST'S, JAYA INTERNATIONAL SCHOOL" situated at Saibaba Nagar, Borivali West, Mumbai 400092, to check the structure and its stability

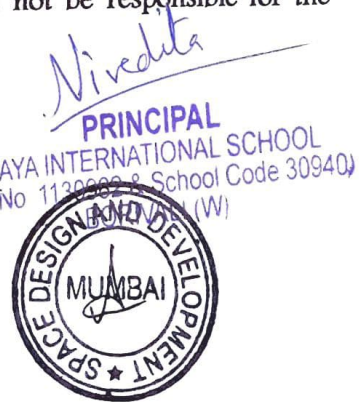

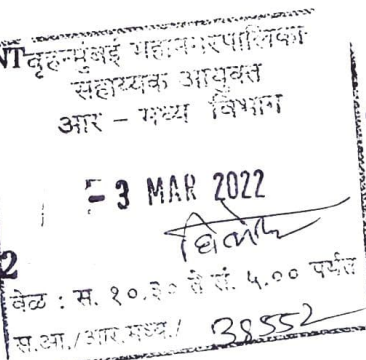

On basis of the examination and verification of the building, we hereby state that the aforesaid structural members of the said building are as of now are stable and fit for human habitation subject to the structural repairs and regular maintenance as per engineering requirement and suggested by structural Engineer. We certify that the structure is safe and stable for the intended purpose for a period of 1 year.

Note

Our stability certificate is concern only for the present inspected status of the building. We are not concern with any structural or non-structural changes done or will be carried in future by anyone/any means which will affect the stability of building.

This certificate sets out the correct facts as of the date of the certificate. It is essential that the building structure should be repaired or maintained regularly by the client as per engineering requirement for stability of structure. If this is not done, we will not be responsible for the consequences.
